6. MAKING YOUR CONTENT VISUALLY APPEALING

- ✓ Replace stock photos with custom-made visuals that fit your brand identity.
- ✓ Use bullet points, numbered lists, and tables to enhance readability.

7. ENHANCING CLARITY

- ✓ Use short sentences and remove unnecessary words
- ✓ Use short paragraphs

If you're playing small by just sending a few emails, doing a mini-launch, or skipping social media or webinars because you're 'not ready,' you're limiting your success.

Small paragraph

In my early days, I played it safe with my course launches. I only sent a few emails, and I refused to show up on video because I wasn't comfortable.

Video is a powerful tool for connecting with your audience, and it's a critical aspect of growing your business and selling your course. Don't do what I did and wait too long to put yourself out there.

8. REFRESHING YOUR CONTENT

Add fresh insights, like recent **statistics** or **expert quotes** on the topic.

Revise your content to reflect current trends.

As a marketing copywriter, I can tell you writing is critical to any successful marketing campaign, from emails to social media posts to blogs.

10. HIGHLIGHTING KEY CONTENT

Use **bold** or *italics* to highlight critical sentences or phrases.

Use “**quote**” feature when formatting content with quotes

Generating Topics

You can ask AI Copywriting tools like HubSpot's AI Content Writer or ChatGPT to generate topics for you by saying:

- *"Generate (number) blog post ideas about (topic)."*

Creating an Outline

If you have an idea but you need an outline before you can start writing, you can submit a prompt saying:

- *"Generate an outline about (topic). Include the subheading (enter subheadings)."*

11. META TITLES AND DESCRIPTIONS

✓ Make your **meta title** engaging to improve **CTR**.

✓ Keep your **meta descriptions** aligned with user intent, compelling, and under **160 characters**.

12. ON-PAGE SEO ENHANCEMENTS

- ✓ Optimize image **alt text** by using clear, concise descriptions for every image.
- ✓ Add **internal links** to relevant pages to improve navigation and SEO value.

13. ADDING EXTERNAL LINKS AND CTAs

Link to authoritative, **trusted sources** to build credibility.

Add **calls-to-action** throughout the page in the form of **banners**.

The screenshot shows a website layout with two main annotations:

- External Link:** A red arrow points from a green label to the text "come join me" in the paragraph: "If you want guidance from someone who's gone before you, [come join me](#) in Digital Course Academy."
- CTA Banner:** A red arrow points from a green label to a teal banner. The banner contains the text "FEATURED RESOURCE", "An Intro to Digital Marketing", "Learn the basics of digital marketing and to help grow your small business.", and a "Download for Free" button. To the right of the text is a book cover titled "Digital Marketing for Beginners" by Podium, similarweb, and Hootsuite.

14.ENSURING MULTI-DEVICE USABILITY

Ensure your content has **responsive design**.

Test your website's performance **across devices** to identify and fix any issues.
